Oregon's 2021 Legislature passed House Bill 3273, which prohibits the release of a booking photo by a law enforcement agency to the public. For our citizens in Linn County, effective January 1, 2022 this means we are no longer allowed to publish the booking photo of adults in custody on our "Current Adults in Custody" roster. We recognize many Linn County residents relied upon these booking photos associated with Adults in Custody information. We are dedicated to providing as much information to the public, in as transparent and legal way as possible.

This roster is updated several times a day. Click on an Adult in Custody's name to see more information about him or her.
