

## Whitman County Jail - Inmate Listing Website

This is **not** conviction data! This is merely information about arrests and detentions in jail. Just because a person is arrested and held in jail does not mean he has committed or has been convicted of committing the crime(s) listed on this page.

The information on this Website is public data per RCW 70.48.100 and is updated approximately every 10 minutes. Every effort is made to ensure this information is up-to-date and accurate.

You may see someone listed more than one time. You will notice they have different booking numbers. Sometimes people have two different causes happening at the same time and therefore may be listed on this site more than once.
